

The Luckiest Coach

I bet you Michael Johnson's high school track coach thought he was the luckiest coach in the world. Or perhaps the high school coaches of Herschel Walker, Larry Bird, Barry Bonds and Dan Gable thought they were the most fortu-

nate for having a "one of a kind" athlete on their team. Well, they were all wrong. I am the luckiest coach anywhere because I have Kyle Maynard on my wrestling team.

Who is Kyle Maynard? Kyle Maynard has been my Junior Varsity 95/103

pounder for the last two years. This past season, his sophomore year, Kyle raised his total Junior Varsity record to 28-8 after winning the King of the Junior Varsity Hill Tournament, the largest and toughest junior varsity tournament in Georgia.
