ARE YOU MAKING YOUR WRESTLERS SICK?

YOU NEED SANIVEX SAFE!

"THE BOTTOM LINE IS THAT SANIVEX WORKS"

- JOHN SMITH
Oklahoma State University Wrestling Coach
Two Time Olympic Wrestling Gold Medalist

"Keeping wrestlers on the mat is a huge concern. I don't want a ringworm or staph infection to disqualify one of my wrestlers ever!
After years of spending lots of money trying just about everything on the market, I've finally found a disinfecting solution that really works. I am seeing the results and you can too!
Since I started using saniVex SAFE™ with its unique "spray and walk away" formula on wrestling mats and in all our locker rooms, saunas, showers and throughout our athletic facilities, I haven't had a single case of bacteria infection with any of my OSU wrestlers. It is now the disinfection standard of care for the OSU program. Use saniVex SAFE and see the results for yourself."
