For 31-years the High School Nationals has been a perfect culmination of the high school wrestling season and has served as a true showcase for your talents to the attending college recruiters. This is the event where you are officially declared an All-American. The top 8 place finishers will receive an award and apparel. All-Americans will also be featured in the National High School Digital Sports Hall of Fame. In 2019, over 4,600 wrestlers from 49 states competed in the High School Nationals event.

The current NCAA recruiting dead period ends April 15th, therefore allowing college coaches to be in attendance in Virginia Beach.

This is an open event; all are welcome to compete! Divisions are based off the 2020-2021 School Year:

- [High School Boys Freshman](#)
- [High School Boys Sophomore](#)
- [High School Boys Junior](#)
- [High School Boys Senior](#)
- [High School Girls](#)
- [Middle School](#)

The safety of our attendees remains our top priority. This event will follow strict health and safety protocols in adherence with local & state department of health guidelines. A detailed event schedule and competition dates & times will be published as the planning process continues. A detailed report of protocols will be sent to all registered athletes and coaches multiple times before the event and will be posted on the event page prior to the High School Nationals.
