BEAT THE STREETS NYC WRESTLING

Wow, what a night!

This past Monday, we were joined by over 5,000 Beat the Streets athletes, supporters, coaches, family and friends at our 10th Annual Beat the Streets Benefit, “Grapple at the Garden” at the Hulu Theater in Madison Square Garden.

In front of a sold out crowd, we watched athletes representing 3 countries, 7 NCAA institutions and 4 local high school programs compete all in the name of Beat the Streets. We were able to highlight our programs and spread our message to more people than ever before and thanks to donors like you we were able to raise 1.3

million dollars.

Our annual benefit is just one of the many amazing events we put on throughout the year. There are many opportunities to show your support and get involved with BTS, such as our Step into the Circle wrestling tournament, Tailgates & Tonics and Impact 100 to name a few. Please check our website to learn more about these great events, as well as our programming options for athletes.

Thank you for your continued support and helping us to provide opportunities for over 3,000 youth at 150 programs in all five boroughs of New York City.
