

Greetings,

We are in our final push of the school year with exams this week and then summer begins! Most of the team has a busy summer planned with internships, summer training, and a little R&R before school starts back up in the fall. Below are the latest updates on the team and upcoming events we have planned.

[Welcome the Class of 2021](#)

We welcome eight freshmen to the team for the 2017-2018 season and recently added Tanner Hood 157/165 from St. Christopher's in Virginia. This class comprises of wrestlers who hail from seven different states, nationally ranked recruiting class, 3 Top 100 recruits, multiple state championships and combines for over 20 state tournament medals. We are really excited with this recruiting class!

We had a nice event at our 2016-2017 Awards Banquet at the Brown University Faculty Club to finish the season. Below is a recap from the night and season highlight video.

NWCA All-Academic Team

This year Ian Butterbrodt earned NWCA All-Academic honors and we finished #2 on the NWCA All-Academic Team! We are very proud of the work our team does in the classroom and on the wrestling mat.
