SS

Hello Lanny,

On August 30, hundreds of coaches will begin a new school year at Concordia University Irvine ([CUI](https://www.cui.edu)), sharpening their skills and learning from the best professors and fellow coaches in the business. The Master's in Coaching and Athletics Administration ([MCAA](https://www.cui.edu/mcaa)) and the Master's in Coaching and Exercise Science ([MSCE](https://www.cui.edu/msce)) programs bring together the brightest minds in sports and pass on their knowledge to eager students.

With less than one month until the start of the fall term, it's not too late to sign up. Just fill out our quick, 10-minute application to get started.

You can earn a Master's degree in Coaching in 15 months, and the time to start is now. Courses are affordable, only \$555 per unit, and students have the flexibility to go at their own speed. We're even waiving the \$50 application fee for all new applicants in the next 48 hours! Reply to this email to find out how.

We look forward to hearing from you soon and seeing you in the fall!

God bless,

Spencer Stueve
