*6/30/2021 | Academic Awards*

**LOCK HAVEN, Pa.** - The Pennsylvania State Athletic Conference (PSAC) announced on Wednesday that 293 East Stroudsburg University student-athletes were named PSAC Scholar-Athletes.

Student-athletes must maintain at least a 3.25 grade-point average while competing in an intercollegiate varsity sport to be eligible for the list.

Over the last eight years, the Warriors have grown from 153 PSAC Scholar-Athletes in 2013-14 to 177 in 2014-15, 191 in 2015-16, 221 in 2016-17, 213 in 2017-18, 227 in 2018-19 and 267 last year.

Two Warriors were named PSAC Champion Scholar during the 2020-21 academic year, with Lauren Reightenour (women's cross country) and Sean Roberts (men's track and field) claiming the highest grade point average of the remaining athletes at the PSAC Championship sites in their respective sport.

Warriors' men's soccer junior Juan Carlos was named [CoSIDA Academic All-District](#) after excelling in the classroom and on the pitch.

The PSAC set a new record with 4,163 student-athletes honored in 2020-21. A new record of 55 percent of the 18 PSAC institution student-athlete population earned scholar-athlete status. The PSAC has now registered at least a 30% rate for 13 consecutive years. The total number of honorees has increased each year since the 2006-07 academic year.

ESU was one of 11 institutions to produce at least 200 scholar-athletes, ranking fifth among the 18 institutions in total scholar-athletes.

The PSAC will announce the winners of the Pete Nevins Scholar-Athletes of the Year Awards following the announcement of the PSAC Top 12. See below for ESU's 293 2020-21 PSAC Scholar-Athletes.
