STATEMENT FROM THE IOWA WRESTLING PROGRAM

The Big Ten Conference announced Friday that Sunday's dual at Wisconsin will no longer be held as scheduled following a decision to cancel by the Wisconsin medical staff.

GARY BARTA

"The University of Iowa medical staff, using Big Ten and institutional guidelines, has cleared the Iowa Wrestling team to return to competition. Coach Brands and his team returned to full in-person activities Thursday. We are disappointed in the decision to cancel Sunday's dual."

TOM BRANDS

"Our medical team did their job to the nth degree. We have been diligent. We have followed protocol. We have the green light to compete from our medical professionals and per Big Ten Conference protocol."
