Bears Fans, Friends and Alumni,

I am sad to let you know that Assistant Coach, Tucker Lane, has decided to step down from his position as assistant wrestling coach to pursue other opportunities. Tucker has been a staple to what we have been building here at UNC and we are sad to see him go. We wish Tucker the best moving forward knowing that he truly is, "Once a Bear, Always a Bear!"

Seniors Graduating

This May, we will be graduating 4 seniors (Ben Polkowske, Tyler Kinn, Keilan Torres, and Tanner Davis). These four young men have done an outstanding job for us in their time here at UNC and we are sad to see them go. More impressive than their wrestling resumes, they all will be graduating with above a 3.0 GPA. Some of them already have future plans, and some are still looking for opportunities. Below, I have added a little bit about each for some background. If you are interested in helping these young men out, please let me know.

Ben Polkowske- graduating with a degree in Finance. Looking for a job in finance or real estate. Has back ground in finance and construction.

Tyler Kinn- Tyler is taking a gap year next year while he applies for medical school. He will be staying in the area and is looking for an opportunity to gain valuable experience in the medical field and beef up his resume.

Keilan Torres- graduating with a communications degree. Looking for a job in sales.

Tanner Davis- This summer, Tanner is heading back to Washington to finish his internship for graduation. Tanner has a passion to get into Physical Therapy and will be using the summer to decide if he wants to go straight into the workforce or if he wants to pursue a master's degree.
