Bears Fans, Friends, and Alumni,

Last week at the Big 12 Championships, the Bears brought home four place winners, the most in program history. With those four place finishers, three of them are headed to the NCAA Championships next week. Rico Montoya is headed back to the NCAA Championships for the third time, looking to become an All-American while finishing out his career. Jacob Seely punched his second ticket to the National Championships, while Chris Sandoval will make his first appearance at the National Championships.

I continue to be impressed with the younger guys in our program. Chris Sandoval was the talk of the weekend after his first round win over #1 seed and Top 5 ranked Alber of Northern Iowa. Chris is the first freshman to make the NCAA tournament for the Bears. In addition, Robert Winters battled tough all weekend to a 7th place finish. Robert did so by avenging a win over Northern Iowas Carter Isley on the backside. While we are far from done this season, I am very pleased with the talent we have in our future.

GO BEARS!
