RESTORE COLLEGE WRESTLING OREGON

OWA welcomes our newest division!

In 2013 the OWA board and members voted to add the RCWOR as a division to the Oregon Wrestling Association. This not only signifies our commitment to wrestling in Oregon, but our belief that College Wrestling is critical to the future of the sport we Love.

Our Mission

To identify and unite Oregon wrestling fans and supporters who share a common goal of restoring lost college programs and supporting ongoing ones. To educate post secondary institutions of learning about the value and practicality of reinstating, maintaining, and supporting a wrestling team.
