

RCWOR | OREGON RESTORE COLLEGE WRESTLING

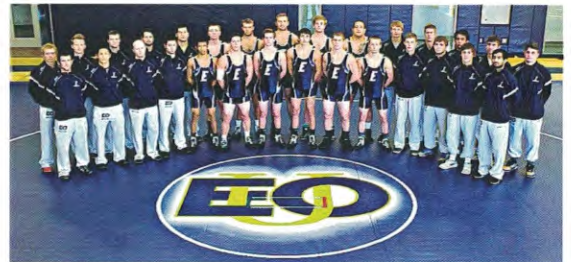

A Message from the Restore College Wrestling Oregon Board of Directors

Umpqua Community College Announces Launch of Men's & Women's Wrestling In Fall 2017

Oregon College Wrestling Fans:

We are excited (and hope you are too) about our efforts over the past three years to revive Oregon college wrestling programs, and especially about Umpqua Community College rejoining the Oregon college wrestling community. This season, 2016-17, three of our newest programs combined are giving 55

young men and 37 young women the opportunity to pursue their college wrestling dream: Eastern Oregon University, Southern Oregon University Women, and Warner

Pacific College. That's nearly 100 young athletes who three short years ago would have had to go beyond the Pacific Northwest to wrestle in college or, perhaps, to give up wrestling altogether. How many new wrestling coaches and officials will come from this hundred? We cannot know the future, but the other side of the coin is how many would have been lost without these programs?

These young athletes are the future of our sport. We don't yet know which ones will become coaches and officials, but we know that without them our sport's future is not as bright.

Please help us support Oregon College wrestling. Attend a college wrestling match near you. Round up some kids, parents, and grandparents and take them with you. You will find the websites for all of Oregon's college wrestling programs on the flip side of this flyer.
