Neosho Wrestling ONE program - Four levels "Building Champions on & off the mat."

Congratulations to OUR wrestlers of the week! The word for the first weeks has been our motto: TOUGH

Coaches Comments:

"Hardin comes to practice with a great attitude and work ethic. He is not afraid to show his personality and have fun while at the same time staying focused and knowing when to work!" Coach Sonis

"Tyce is a young man that I've loved having in the room. He and his twin brother are new to us but have been an asset already. Tyce wasn't going to wrestle but after some talks and work this summer he decided to join us. I'm so happy he did. He is TOUGH - at 275 pounds he consistently challenges many lighter weights to match his efforts." Coach Phillips

"Tomlinson has done a great job stepping up and working with HS guys. He has a great attitude!" Coach Schofield

"Everson is a young man that brings the right attitude and work ethic daily. He is growing as a wrestler and helping our team/program grow at the same time. He is definitely TOUGH and has been an asset so far this season." Coach Phillips

"Hayden is a young man who turned a BIG corner for us last year because of the way he trained and was so TOUGH. He went from a young man who didn't qualify for state the previous season to a solid 3rd place medalist last year. He is a great leader for us on and off the mat and I look forward to seeing his career FINISH this season." Coach Phillips

"Crane leads by example and his work ethic has set the tone in our wrestling room. He continues to put himself aside for the better of the team, while challenging others to do the same." Coach Sonis

"Crane - is a leader on the mat. He works hard every day and is a good example for others to follow." Coach Schofield

"Abby Manwiller (Fr) is a first year wrestler for us, but has shown toughness on the mat all season. She's always working to do the best she can every rep at practice and when things don't go her way she bounces back and continues the fight." Coach Hungerford

"I'm excited to see the growth and development of our girl's program. Abby has been a TOUGH addition and can help create the right foundation in our building process." Coach Phillips

YOUTH

Our Youth continue to work hard and prepare for their first competitions coming up in the next few weeks. Next week we will see wrestler's of the week at this level too.

Thank you to our HS parents/wrestlers traveling to support our JH. That's awesome and doesn't go unnoticed.

COLLEGIATE

Our kids at the next level competing this year, and continuing to make us proud:

Joey Williams - Maryville University, Eric Holt - Drury University, Jeremiah Larson - Maryville University, Cayden Auch - University of Arkansas Little Rock

Coach Reynolds from Drury text me yesterday excited to share how **Eric Holt had four pins** as he battled in the Lindenwood Open.

Happy Thanksgiving - last week ALL JH and HS wrestlers were encouraged to thank a teacher that they appreciate. This week it will be three more people in their lives. There is proven power with having an ATTITUDE of GRATITUDE.
